# **British Columbia Private Courier, Juan De Fuca Despatch Carrier Service Stamps, etc.**

Juan de Fuca service operated between Victoria, B.C., Canada to Port Angeles, Wa, USA. Started in 1965 and ran until 1991. It began in the period when we in Canada had to suffer through many long postal strikes. K.M. Robertson started this courier service for his own business and then expanded and it soon ran year round in both directions. Catalogue numbers from the "1992 Strike, Courier & Local Post of the Elizabethan era" catalogue by Earle Covert, details bottom page 3.

**All are mint never hinged.** Only 1 to a few of each set available. This section only - **10% discount on orders over \$100. 15% discount on orders over \$250**
