Liverpool, England Sept. 16, 1936 \$2400 at sight **SOLA OF EXCHANGE** for United Nail & Foundry in Newfoundland. Very attractive cross border document. Newfoundland notes are seldom seen. A cross border one is even more desirable. **NFR18a single + block of 4 + 2p Bill or Note** British embossed revenue affixed to pay the rates required. Usual document folds - \$125 (±US\$100)

FB44-7c, FB45-8c, FB49-30c strip of 3 used on Guelph 1880 - \$3500 promissory note to pay required \$1.05 rate. This is a very rare combination of values used. **The 7c & 8c are Rare on document.** The 30c is rarely seen particularly in multiples. Minor aging. Small tear in vertical fold at left from top to above "Four".
A very rare note - \$200 (±US\$160)

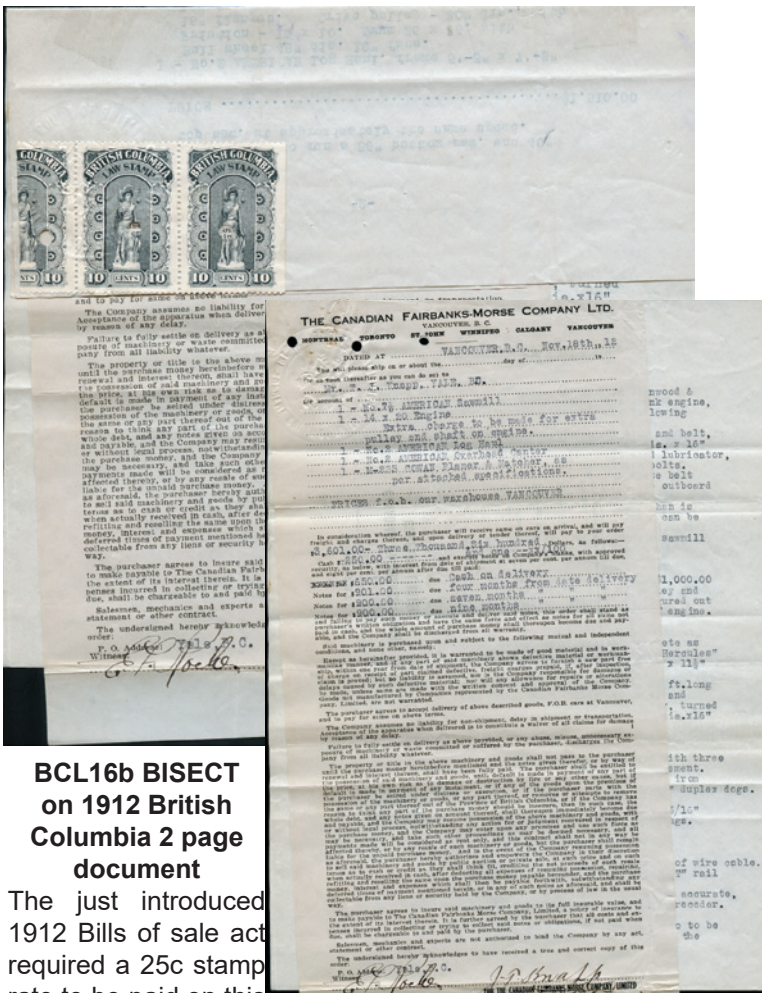

FB40 - Rarely seen 3c BLOCK OF 4 on \$300 1874 Guelph Note. Small piece missing UL. Bit of blue document this was originally attached to is still on back at left. This is item is very interesting as they show above "\$300" "int 7.50" thus the tax rate was calculated and paid at 12c rather than 9c.
Blocks are rare on document - \$100 (±US\$80)

BCL16b BISECT on 1912 British Columbia 2 page document

The just introduced 1912 Bills of sale act required a 25c stamp rate to be paid on this document, but as yet there were no 5c or 25c stamps in existence. Thus the required rate was made by cutting a 10c stamp in half. **Rarely seen BCL16b - 10c bisect** in strip of 3 with 2 regular 10c stamps makes up the required 25c rate on two attached documents dated Nov. 1 and Nov. 18, 1912 at Vancouver for purchase of a sawmill and various pieces of equipment as part of the mill. Contract between "The Canadian Fairbanks-Morse Company Ltd" and T.J. Knapp of Yale, B.C. The stamps are on the back, but can be folded over as shown and still show most of the document. Showing full document front and how it looks when stamps folded over. **Guaranteed genuine.** Interesting 1984 BNAPS article accompanies - \$300 (±US\$240)
