Dear Collector friends,

**Merry Christmas, Season's Greetings & Best Wishes for 2019.**

**Thank you for another excellent year.**

**I did more stamp shows than last year.** There is nothing like going to a show in person and meeting with old & new customers. Thank you for visiting at the shows. Many stamps found a new home - it was very rewarding seeing so many new & old satisfied customers. Revenue collecting is alive & well.

**Thank you** for the many positive and nice comments on our 2017 Canadian revenue stamp catalogue.

**Our internet price lists** are very popular and often just about sell out completely.

**The recent 5 week postal strike** created absolute chaos in the Canadian postal service. Mail service during November was pretty well non-existent with some registered mail being stuck in the system for as much as a month. Many of our registered mail pieces are still in the system experiencing ridiculous delays. Postal workers are back at work, however Canada Post says it will take into January to catch up to the backlog of over 550 tractor trailers full of mail in Toronto alone.

**Very nice material in this ReveNews.** I continue to process new & old purchases. Happy hunting.

**Sign up** to our electronic mailing list directly on our website and be promptly advised of new price lists and newsletters.

# CANADA 1870 TOBACCO STAMPS

Exceptional offering of these beautifully engraved tobacco stamps. They come in various colors, papers, watermarks, etc. Multiples are seldom seen. The PORT OF ENTRY names vary from stamp to stamp. Mostly F/VF\*, no gum as issued. An interesting "JUMP NUMBER PAIRS" variety occurs on some horizontal pairs because they were numbered top to bottom instead of usual left to right. This is similar to this variety on Weights & Measures stamps. Division = city name if any. open = no city - and is blank. It is very unusual to find such a nice a selection including multiples in this exceptional condition. \*\*\* = unused, wmk = watermarked, flts = faults, div. = division. Actual size of ¼, ½ and 1 Pound stamps is 2¼" x 2". The 5, 10, 15 Pounds are 4½" x 2".

**SPECIAL DISCOUNT 1870 tobacco stamp only - Orders over \$25 deduct 10%, over \$100 deduct 15%, over \$250 deduct 20%, over \$500 deduct 25%.**
