Dear Collector friends,

Thank you for another excellent year. I did more stamp shows than last year. There is nothing like going to a show in person and meeting with old & new customers. Thank you for visiting at the shows. Many stamps found a new home - it was very rewarding seeing so many new & old satisfied customers. Revenue collecting is alive & well. Thank you for the many positive and nice comments on our 2017 Canadian revenue stamp catalogue. Our internet price lists are very popular and often just about sell out completely.

The recent 5 week postal strike created absolute chaos in the Canadian postal service. Mail service during November was pretty well non-existent with some registered mail being stuck in the system for as much as a month. Many of our registered mail pieces are still in the system experiencing ridiculous delays. Postal workers are back at work, however Canada Post says it will take into January to catch up to the backlog of over 550 tractor trailers full of mail in Toronto alone. Very nice material in this ReveNews. I continue to process new & old purchases. Happy hunting.
