Dear Collector friends,

The 2022 edition of the Canadian Revenue Stamp Catalogue is expected to be available for purchase at the end of January 2022. Complete details and ordering information will be posted on my website and in upcoming newsletters.

My merchant credit card processing fees keep rising and have become a huge expense. Visa & Mastercard charge me now about 4% on every transaction.

Payments by Etransfer are preferred.

I have decided to combine my "ReveNews"© and "Internet Price lists" and continue with an electronic only version of "ReveNews"©. A few collectors without access to computers will continue to receive a free mailed printed copy as long as they order.

These last couple of Covid years have been so very strange and different without the stamp shows we usually did. I have already booked my booths at the international Capex 2022 June show in Toronto as well as the April Orapex 2022 show in Ottawa.

Free shipping on most retail orders over \$45, except for books, albums, large lots & collections, etc.

I expect to add new interesting material to my website in the coming months.

SASKATCHEWAN SL24 VARIETIES on DOCUMENTS

Each document has a different variety of SL24 - 25c black on green. 1st document **without** "." after "c", 2nd document **with tiny** "." after "c", 3rd document with **large round** "." after "c", 4th document **large square** "." after "c".

It is very unusual to be able to offer all 4 varieties on document. . Lovely fresh condition - \$60

\$5000 - 1874 Peterboro(ugh), ON Canadian Bank of Commerce
promissory note printed on laid paper.

A lovely fresh document with an exceptionally large number of revenues affixed.
15 copies of **FB47** - 10c blue were used to pay the required tax of \$1.50

Usually higher values were used, but in this case presumably the 10c stamps
were the only value at hand.

Peterboro notes seldom seen. I live a few minutes from Peterborough, but have
rarely seen documents from this area.
