Dear Collector friends

Fall has arrived here in Canada. The nights are getting cool with temperatures as low as just above freezing. Some leaves are starting to change to their spectacular fall colours. Not too long ago we were still running the air conditioning, now the heat is back on.

It is the perfect time to get back to stamp collecting.

I have had fun putting this ReveNews together. It is absolutely amazing the wonderful material that I have had the privilege of handling over these last 52 years.

On this front page is an offering of the rarest of all Alberta Telephone Franks. Opportunities like this come along only once in a life-time.

Prices shown are the price you pay.

WE DO NOT CHARGE A BUYER'S FEE

Auction houses charge a buyer's fee, some as much as 18.5% or more. Applicable sales tax applies to buyers residing in Canada.

Don't forget to order your copy of the new **2022 Canadian Revenue Stamp Catalogue**. Details inside this ReveNews.

I have been processing a lot of new material. Some of it in this ReveNews, a bit has been put on our website with lots more to follow as time permits.

FREE SHIPPING most orders over \$45, except for books, catalogs, albums, large lots & collections, etc.
