Dear Collector friends

**Winter just arrived.** We just had our first 4"/10cm snowfall.

My apologies for not making it to Canpex, London. We were sick and in no shape to do a show.

**Order early to avoid disappointment.** In a number of cases multiple collectors wanted the same items. All items are sold on a first come first served basis. According to my website statistics the first order arrived within 1 minute after my last electronic mailing was received.

My website and ReveNews newsletters only show a tiny part of my massive stock. **Wantlists are welcomed** and will often have excellent results.

I had fun putting this ReveNews together. It is absolutely amazing the wonderful and rare material that I have had the privilege of handling over these last 52 years.

Prices shown are the price you pay.

#### **\$423.67 Montreal 1867 Promissory Note.**

A lovely clean example of 5 copies of **FB20** - 3c red Second Bill issue paying the required fee of 15c.

As required the stamps were pen cancelled with the date the note was issued.

Sometimes each stamp has the date on it or as in this case they simply spread the cancel over a few of the stamps.

The note is on laid paper and I consider this Very Fine condition - \$250 (±US\$200)

#### **1915 QUEBEC PROHIBITION - QP4 - 10c bistre**

Rarely seen pair. Multiples of this rarely seen.

Most stamps of this issue seem to have some small faults due to being affixed to a liquor wine bottle label or wrapper.

This spectacular pair is Very Fine and a rarity thus - \$125 (±US\$100)

Notation on front in pencil "Keep 1882 Error for 1881 IP" IP initials stand for Isaac Pitblado.

It appears that the ink of the date cancel spread out to form a bit of black blob on the stamp.

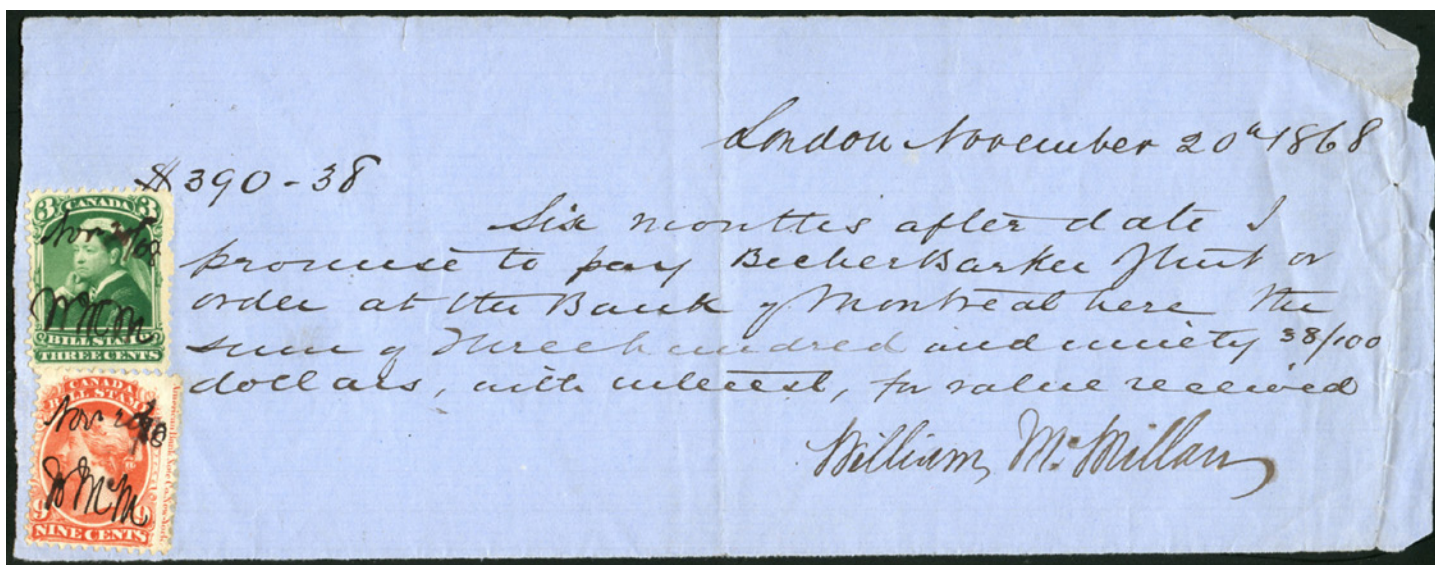

A few hinge remnants from being mounted in the collection. Complete Manitoba documents extremely rare....

The 12c tax payable is paid by Second Bill issue FB23 - 9c red with "American Bank Note Co. New York" imprint at right + Third Bill issue FB40 - 3c green.  
I have rarely seen mixed use of the 2nd and 3rd Bill issue. This one is particularly nice because of the imprint on FB23.  
Condition is very nice with a couple of typical folds - \$300 (±US\$240)

**Complete 1992 Wildlife Certificate (Hunting License)**

This is a nice example of how the Alberta Game Bird and other hunting stamps were used.

Booklet is in typical condition. They are typically folded as the hunter had to carry the license with him while hunting.

I have only scanned the front cover and the pages with stamps on them. **AWR24** - \$11.54 Resource development stamp is printed inside the booklet. The other 1992 stamps are **AD4(AW957)** - \$7.90 Game Bird, **AW962** - \$30 White-Tailed Deer, **AW961** - \$30 Mule Deer and **AW965** - \$30 Moose. \$125 (±US\$100)

# **CAPE BRETON GAME STAMPS - NSG1, 1a, 1b, 1c, 1d, 1e, 1g mint never hinged bottom margin block of 22.**

This issue was printed in a most **unusual sheet format of 99 stamps** - 11 wide x 9 stamps high.

This spectacular block consists of the 2 bottom rows of the sheet.

With the black arrows I have indicated 6 x **NSG1b**\*NH - missing feather varieties as well as the extra row of horizontal perforations all the way across.

Additionally there is an unlisted variety in pos #12 with a few missing vertical perfs (see red arrow).

Am also showing the gum side, so you can clearly see the extra row of horizontal perforations as well as the few missing perforations.

**All possible varieties** with the exception of NSG1f are in this spectacular block.

Catalogue value counting them as basic stamps 11 x NSG1 + 11 x NSG1a = \$3245 + all the varieties and variety combinations must total at least \$3500-\$4000

Spectacular Showpiece - \$995 (±US\$796)

## **NSG1, NSG1a \*NH Block of 4**

2 x normal stamps at top + 2 Extra row of horizontal perfs in bottom stamps.

Total catalogue value \$590 - \$250 (±US\$200)

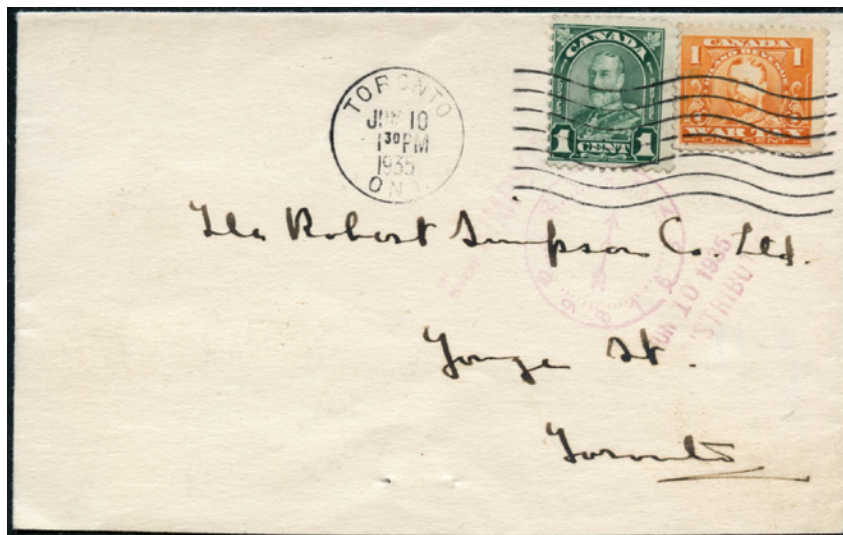

## **MW1, MW1b\*NH - Block of 6**

Stamps on right have extra row of vertical pairs.

 Stock/Share certificates with revenue stamps affixed should be quite common, however the opposite is true, over the years I have't seen a lot of them.
