RARE - 1940 QUEBEC TOBACCO TAX STAMPS - printed by the American Bank Note Co

These attractive engraved tobacco revenue stamps were designed and printed by the American Bank Note Co for use in the province of Quebec to pay the 10% tobacco tax. The American Bank Note Co actually printed the self-adhesive decal type stamps, but none of the actual stamps have ever been seen by collectors. An exceptional article about these stamps was published in the September 2003 issue of the Canadian Revenue Society newsletter by Christopher Ryan.

From the American Bank Note Co records we know that only 1 sheet each of the 2c, 3c, 5c, 10c, 15c, 20c and 25c green Plate Proofs on card survived. Condition is pristine. The 2c and 3c were printed in larger sheet format with gutters between the panes.

This receipt from the **El Morocco Cafe in Montreal** shows the total bill was \$10.00 On top of that there was 25% excise tax which in this case is paid by the Excise revenue stamps as noted above. Additionally there was a 5% Hospital tax clearly shown on the receipt. Unfortunately Quebec did not have stamps for the Hospital Tax. A very attractive item. They also made sure that the stamps were totally defaced with a 5 killer bar cancel and not reusable. An unusual item in nice condition. - \$30 (±US\$24)

Information for Purchasers of Canada's War Savings Certificates

Date of Issue. War Savings Certificates will be dated the fifteenth of the month in which payment is received. For example, if your application, together with your remittance, is received by a bank, post office, or other selling agency, or directly by the National Chairman, War Savings Committee, Ottawa, any time in June, your Certificate will bear the date June 15th.

Registration. Each War Savings Certificate is registered at the Bank of Canada, Ottawa. Registration will be made in one name only. A War Savings Certificate is not transferable and cannot be redeemed other than by its registered owner. Provision has been made for redemption in case of the death of a holder.

Care should be taken to state clearly the name and address in which you desire Certificates registered. Spell out the first or Christian name in full, as well as the surname, and give proper prefix (Mr., Mrs., or Miss).

For example: Correct — MR. KENNETH D. BROWN.
Incorrect — Ken Brown.
A married woman must furnish her own Christian name (not that of her husband).
Correct — MRS. MARGARET F. WHITE.
Incorrect — Mrs. Henry G. White.

Purchase Limits. No person may hold War Savings Certificates in excess of a total maturity value of \$500 purchased in any one calendar year. That is to say, you may purchase \$500 worth this year, 1940, and up to a like amount in each succeeding year.

Income Tax. Due to the difficulties of calculation, the small amounts involved and the limit on individual holdings, holders will not be required to report the difference between the purchase price and the redemption value of War Savings Certificates, as income in making returns under the Income War Tax Act.

Redemption. War Savings Certificates cannot be called for redemption by the Government prior to their date of maturity. The holder, however, has the option of redeeming his Certificates after six months for cash with interest added according to the time of redemption. The Minister of Finance reserves the right to require ninety days' notice in the case of redemption before maturity. A table of redemption values is set out below.

Nice fresh set. **SL20 - \$3** has "BROKEN BUCKLE" variety. The \$1 with normal background is the rarity in this set and it alone catalogues \$200.

The collector who put this page together used too small a size mounts, consequently the right side of each stamp is outside the mount.
