Dear Collector friends

5% discount for payment by Etransfer.

Our credit card processor charges me almost 5% in service charges on every credit card transaction. Pay by Etransfer and you will get a 5% discount instead.

Trump's "wonderful" new tariffs are in effect and every shipment now requires extra paperwork + lots of extra postage costs for any shipment to the USA. Fortunately revenue stamps are currently tariff free. Every order shipped to the USA now needs customs paperwork.

USA customs now require all orders shipped to USA to be prepaid in full.

My website and ReveNews newsletters show a tiny part of the massive revenue stock I have built up over the last 56 years. If you are looking for individual stamps please check out my website with easy to use secure shopping cart or send me your **WANTLIST**.

Canadian \$ is very low compared to US\$
 currently **US\$75 = approximately C\$100.**

Wantlists welcomed. Many great rarities are in stock. Send your wantlist. Over the years I have helped built most of the top revenue collections and am ready to help you too.

To avoid this newsletter ending up in your spam please add news@canadarevenuestamps.com to your accepted senders list

Your US\$ buys many more stamps in Canada
