Dear Collector friends

HAPPY THANKSGIVING

5% discount for payment by Etransfer.

Our credit card processor charges me about 3% in service charges on every credit card transaction. Pay by Etransfer and you will get a 5% discount instead.

Trump's "wonderful" new tariffs are in effect and every USA shipment requires special customs paperwork + lots of extra postage costs.

USA customs now require all orders shipped to USA to be prepaid in full.

50% Trump tariffs = taxes = import duty

Our friends & customers living in the United States

are now charged 50% tariffs by the US government on Canadian stamp purchases

The way it works

We, in Canada, have to collect the 50% tariff from the US buyer and submit full payment to the customs broker before they give us a special shipping code to allow any package to be mailed to the USA.
