Blocks are seldom seen especially on document - \$70 (±US\$56)

1907 Supreme Court of NORTHWEST TERRITORIES, Judicial district of Western Assiniboia "ORDER" 2 page document. The required \$1.10 fee is paid with SL2 - 10c + rare SL7 - \$1 with scarce early manuscript "cancelled C.H.B." Unpunched stamps are very hard to find and very desirable. In the top left corner is a very clear colourless embossed cancel of the "Supreme Court of the Northwwest Territories". Document is just too large for my scanner, so I scanned document in 2 parts and then joined digitally at ctr., part of one line of text at center appears to be missing from scan. Spectacular VF showpiece. \$300 (±US\$240)
