EXTREMELY IMPORTANT SHIPPING INFORMATION - my shipping terms above & below have changed.

My stamp insurance carrier has informed me that currently only Fedex offers secure shipping services covered by my insurance policy.

Fedex is much more expensive than traditional registered mail, expresspost, etc., but it usually gets there overnight.

If you wish your order shipped via Fedex - if order is over \$300 I will pay part of the cost depending on the size of the order, details upon request.

If you do not wish to use Fedex - your order will be shipped when regular signature mail services resume.... hopefully soon.

Orders of \$300 and less will continue to be shipped by regular mail as before. All other orders will be shipped when things return to normal.

Mail service is currently very slow - recent examples to Quebec City 3 weeks, to southern USA 4 weeks, to Britain 10 days, etc.
