Mail service is slowly returning to more normal, so early next week I will again start using registered mail, express post, priority post, etc.

For larger more expensive shipments to USA I still prefer to use Fedex overnight express.

Fedex is much more expensive than traditional registered mail, express post, etc., but it usually gets there overnight as opposed to 2 weeks or more by post.

If you wish your order shipped via Fedex - if order is over \$300 I will pay part of the cost depending on the size of the order, details upon request.

Orders of \$300 and less will continue to be shipped by regular mail as before. Orders awaiting shipment will start shipping early next week.

Thank you for your patience.
