Mail service in Canada and to overseas mostly returning to normal. **Mail service to USA very slow** (6 weeks for air mail to or from USA is not unusual).

Registered mail in Canada and to some international destinations is again available.

Canada post has apparently dropped prepaid Expresspost envelopes to USA, no replacement available as of today.

For larger more expensive shipments to USA I currently only use Fedex overnight express - very fast and efficient service.

Fedex is more expensive than expresspost to USA, but it usually gets there overnight.

If you wish your order shipped via Fedex and order is over \$500 I will pay part of the cost depending on the size of the order, details upon request.

Stamps*

500,000-11-34

Here is an interesting and very attractive strip of 3 of the 1/4 Pound 1915 Canada Tobacco strips with King George design.

Ryan #784 with blue control number / Brandom P584.

All 3 strips have a nice oval "National Revenue, Customs & Excise, Jan 30, 1937 Goderich, ONT." cancel. Used strips are virtually never seen in multiples and certainly not with such nice cancels.

The 3 stamps were found inside the pictured National revenue, Canada envelope. Obviously the strips have vertical folds from being folded inside the envelope. Most used Canadian strip stamps typically have usage folds.

A very unusual group.
