EXTREMELY RARE 1765 AMERICA EMBOSSED REVENUE STAMP QAE11 - 2/6 DIE "A"

Very Fine strike of this extremely rare revenue stamp on 1/4 document.

This was an actual used document. You can see very faint impression of the writing that would have been on the part of the document that this was facing against.

Incredible condition for a 255 year old document. It is on very high quality laid paper.

This rarity is missing from pretty well every collection.

Catalogue value is meaningless.

Spectacular clear strike, see enlargement- \$1500 (±US\$1200)
