# MANITOBA DOCUMENT COLLECTION

By private treaty from the Chesapeake collection. **Ex the famous Pitblado collection** - Isaac Pitblado put together the absolute best Manitoba collections many years ago. Manitoba documents are extremely rare. Most documents were destroyed years ago - very few documents have survived - they are very much undervalued. This is a rare opportunity. All are complete unless noted otherwise. Some typical document faults to be expected on these ±135 to ±145 year old documents. Only a few partial scans shown. **MANITOBA PROVISIONALS ON DOCUMENT, if you can find them, TYPICALLY SELL FOR many MULTIPLES OF CATALOGUE VALUE.** Just the **5 PROVISIONAL** documents will typically sell for at least \$1000 each.
