1879 Sight draft for 16 Pounds, 6 shillings and 7 pence sterling at the then current rate of exchange

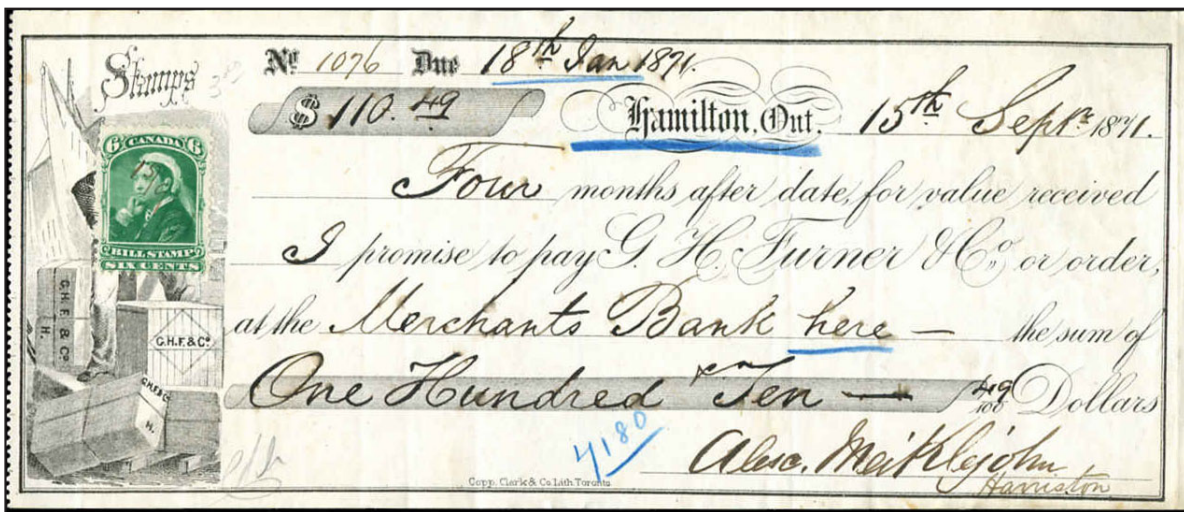

for goods shipped via the ship "MORAVIAN". Executed at Aberdeen, Scotland and taxed there at the rate of 3 pence which was paid with the clearly visible "THREE PENCE" colourless embossed British revenue stamp. At the time the equivalent value was C\$79.11 thus **FB40 - 3c green** pays the appropriate tax.

Cross border drafts between Montreal and Scotland are Rare. Spectacular item in very nice condition.

2 years later the Moravian started its last voyage on 7/12/1881 from Liverpool and was wrecked near Cape Sable on 30/12/1881 with no loss of life.

A great item to add that should add some serious value to any Bill stamp collection - Rare - \$350 (±US\$280)

Hamilton, Ont. 15th Sept. 1871 - \$110.49 promissory note.

Stamp rate was 3c per \$100 or portion thereof and is properly paid by FB43 - 6c green.

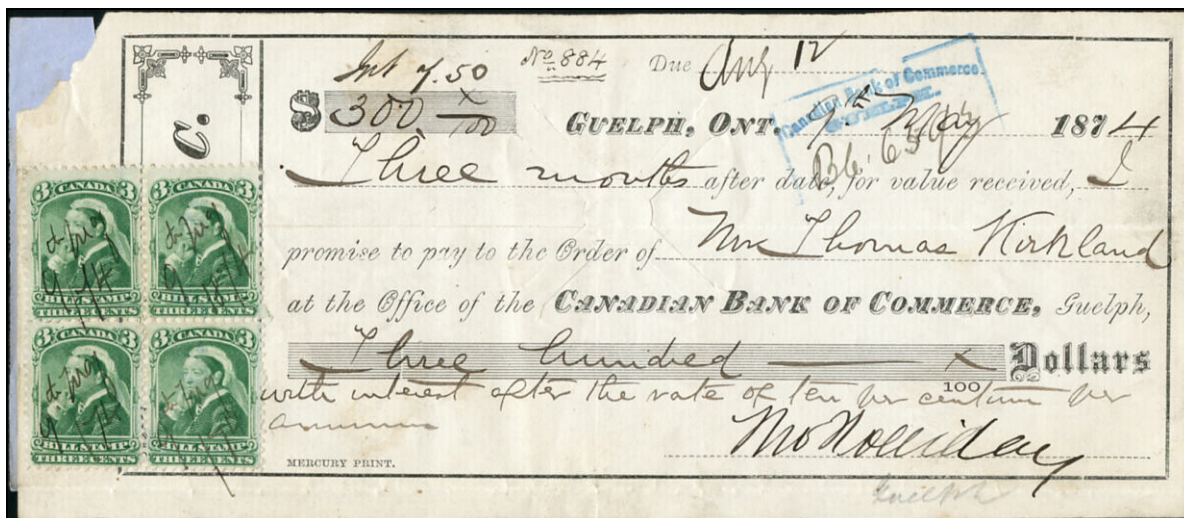

Very attractive engraving on left is partially covered by the bill stamp. Very fresh and clean. 147 year old document - \$30 (±US\$24)

1878 Port Burwell, Ontario - \$1000 promissory note.

FB49 - 30c blue pays proper 30c fee of 3c per \$100 or any part thereof.

Fold looks much worse on the scan than in real. 2 tiny kraft paper hinges at left should remove quite easily with a bit of patience. Fancy sailboat engraving behind FB49. 30c value is scarce on document and without the 2 bits of paper would sell for \$50 and up - \$35 (±US\$28)

FB40 - 3c BLOCK OF 4 on 1874 Guelph, Ontario Canadian Bank of Commerce \$300 note.

Proper rate of 12c is affixed. Notes were typically affixed to other documents at the upper left corner and often a bit of the corner was lost in the process somewhere along the way. Very scarce block on document. Should be worth \$100 or more - \$75 (±US\$60)

Rare complete unopened Canadian Postal Note & Scrip Cello Packs.

Here are the 4 different packs.

Each is completely original and unopened as issued by the post office from 1967-68. As far as I know these packs were only available from the travelling post office that attended various stamp shows and were only prepared in very limited quantities. Once collectors discovered that these packs contained mixed sets of the 2nd and 3rd series they were mostly opened up to remove the scarcer 3rd series stamps. Consequently I very much doubt that many of these unopened packs exist today. Packs that have been opened have no longer any value as a cello pack.

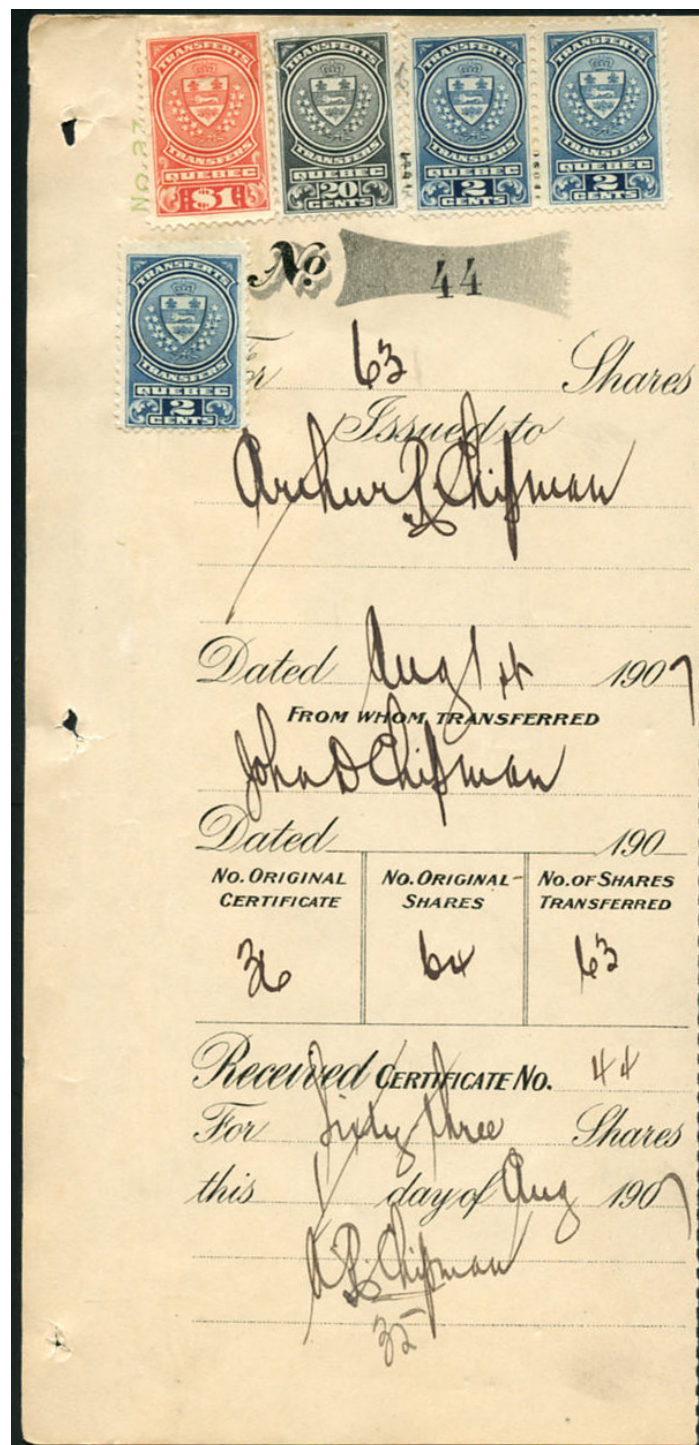

I have one complete set of all 4 different complete unopened packs.

Cat. value \$1600 - only \$900 (±US\$720)

Many yard workers were killed. Document displays nicely as shown. If opened up there is some minor separation on the document folds. Nice piece of Canadiana. FSC7 Rare on document.
