#### Current Canadian Postal Strike

We have been experiencing rotating postal strikes across Canada as well as locally. This has caused enormous backlogs.

2/3 of all Canadian mail, including ours, is routed through Toronto which was shut down by the union for several days.

This morning the news reported more than 150 tractor trailers of unsorted mail awaiting processing to get the mail moving again.

Am currently holding all mail until the strike is resolved or until I am sure that it will actually be processed to its final destination.

#### CAISSE POPULAIRE SAVINGS CARD

Caisse Populaire stamps were used by mostly Quebec school children from 1934 to 1967.

The heading on the savings card translates from french to  
**"Turn pennies into Dollars"**

Quebec school teachers looked after the program. Students received stamps for the amount they put into their savings account each time.

This program and the Caisse Populaire became so successful that today this institution is one of Canada's most powerful financial institutions.

The cards were like cash. Normally once the card had been cashed or completed it would be destroyed so it couldn't be cashed again.

Cards are not easy to find. They were generally just cancelled by pen as can be seen on some of the stamps.

Cards like this with actual cancel of "Caisse Populaire de Clarke City 1958" are very desirable and quite rare.

Attached are **QCP1** - 1c x4, **QCP2** -5c x 31, **QCP3** - the rare 10c brown x 9 (cat \$720), **QCP4** - 25c x 7

total catalogue value - \$1231.50

\$150 (±US\$120)

1864 Grand Greve, Gaspe.

This is one of the oldest notes I have handled - first year of use of the 1st bill issue stamps.

This note for 49 Pounds required a rate of 6c tax.

Grand Greve was a very small fishing village at the time. William Fruing was from Jersey and one of the founders of the Hyman and Fruing Fishing Co.

An exceptional item in exceptional condition for such an early item - \$295 (±US\$236)

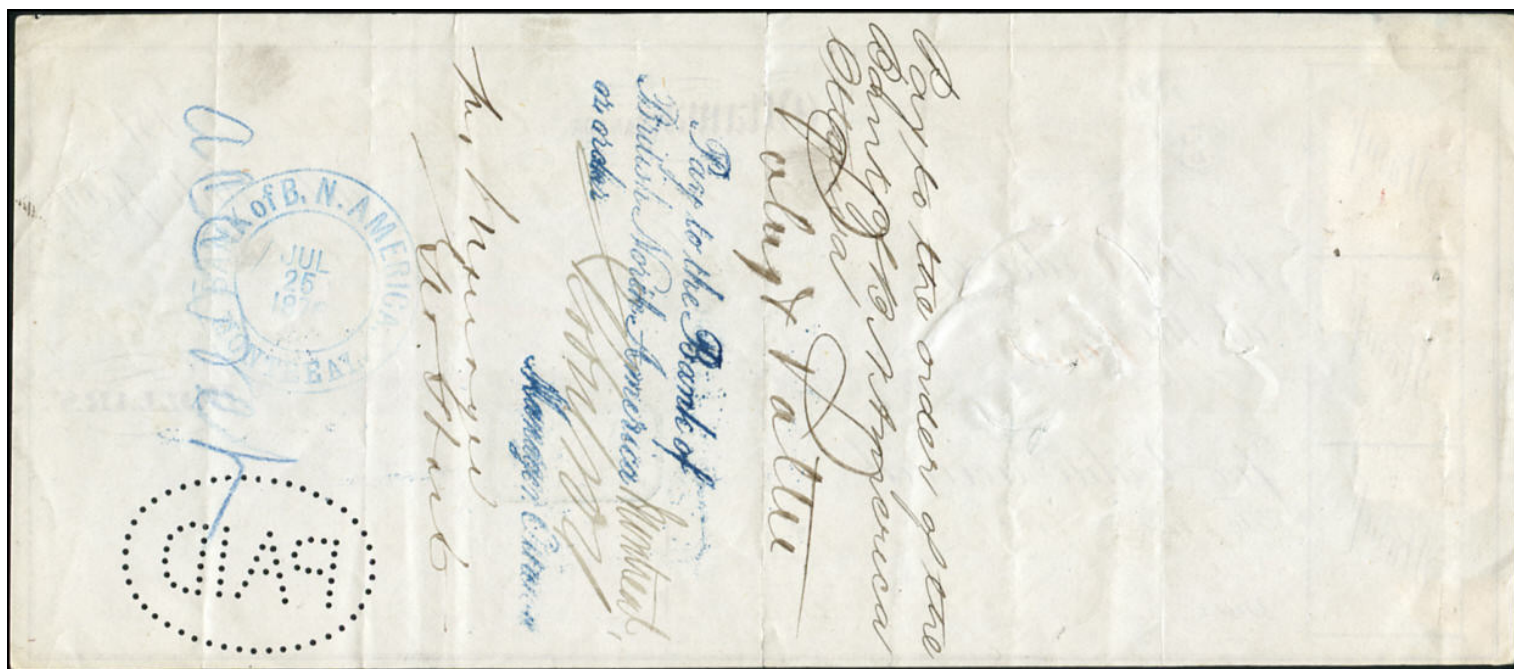

1967 Postal money order with 2 x FPS12 - 10c black + FPS17 - 50c brown.

Payable to T. Eaton Co. This used to be the largest chain of retail stores and mail order house in Canada.

A bit of surface dirt - \$45 (±US\$36)

#### 1876 Ottawa - \$3916.87 note payable in Gold.

On early notes payment was at times payable in Gold - this was sometimes used to protect the face value of the note and payment had to be paid in gold if demanded. These kind of notes are quite scarce.

The required tax on \$3916.87 was \$1.20 (3c per \$100) which was paid with **FB48** - 20c blue and **FB52** - \$1 blue and black.

Nice cancels and unusual oval perfin type "paid" cancel.

FB52 has a small fault at upper left - without the fault this item would be priced at \$200 or more.

\$95 (±US\$76)
