1904 New Brunswick - Office of Registrar of Probate - Saint John, NB document.

New Brunswick documents of any kind are Rare. Even modern documents are rarely seen.

One reason for the rarity was explained to me by a NB archivist many years ago. "Over the years New Brunswick has experienced a number of major floods including of court houses which resulted in the destruction of many documents. Apparently at one of the flooded court houses revenue stamps could be seen floating everywhere."

This Rarity is offered on my website as stock #1869 at \$395.00

The Famous "Arthur A. Bartlett" letterhead.

In the early 1900's Mr. Bartlett and a number of others formed a consortium to purchase a large stock of PEI stamp remainders. This fabulous letterhead was apparently printed in Germany and part of the watermark reads "FEIN" translates to FINE from German. The government tried to stop him from using the letterhead as they were afraid people would cut out the "stamps" and use them for postage. Eventually he was allowed to use up his letterheads, but not allowed to have more printed. This one is Very Fine example and have seen them sell for as much as \$100.

28 different Canadian Tobacco Stamps - unused in pristine condition.

These were only available to cigarette/tobacco manufacturers, importers, etc.

A manufacturing code with date code, etc. as shown on the 25 cigarettes stamp above was usually applied to the stamps before being affixed to the required package or box. Manufacturers never made these available to collectors. The government required cash payment in advance for supplying the stamps. All unused without gum as issued. The only exception is the **1/16th lb SNUFF stamp which is mint never hinged**. All in pristine condition. Quite a few are very scarce to rare,

e.g. the **"2" overprint on cigar stamp** (retail \$35), **1/64th tobacco** (retail \$25). A number of these in this exceptional condition typically sell for as much as \$5 to \$10 each or more. Total retail if sold individually is over \$250. The *"Catalogue of the Federal Tobacco stamps of Canada by Christopher D. Ryan"* can be downloaded at no charge from our website.
